Solicitation Number:	3513R08
Opening Date/Time:	No later than 1:00 pm on January 31, 2014
Addendum Number:	3

To All Proposers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals), including but not limited to questions and answers, which are considered a material part of the solicitation.

Please see the following update:

Addendum 3 revises the first two paragraphs of Section 7.3 – Organizational Conflicts of Interest to now read:

Subject to the specific provision related to geotechnical survey related services addressed in the following paragraph, any person or firm under contract with the Commonwealth in connection with the Project will not be allowed to participate in any capacity on a Proposer team. Any person or firm previously under contract with the Commonwealth in connection with the Project (including, without limitation, with respect to the preparation of preliminary plans, planning reports or other project development products for the Project) may be able to participate on a Proposer team, if such firms first submit a written request for a determination of no conflict from PennDOT and receive written confirmation that they may participate, or conditionally participate on a Proposer team.

Any person or firm undertaking geotechnical survey related services for PennDOT for purposes of the Project can participate in a Proposer team after the earlier of the date upon which the Department’s geotechnical work for the project is complete and the results of the survey are made available to the Proposer teams or the date of issuance of the Final RFP, without a determination of no conflict provided that geotechnical survey related services represent the sole project connected work performed under contract with the Commonwealth.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous Addendum(s), remain as originally written.
