What is Section 106?

Section 106 of the National Historic Preservation Act of 1966 (NHPA) requires federal agencies to consider the effects of federal undertakings on historic properties. If a federal or federally-assisted project has the potential to affect historic properties, a Section 106 review must take place.

How does Section 106 apply to this project?

This project is federally assisted and has the potential to affect historic properties. Therefore, the requirements of Section 106 must be met.
