

# SR11 SECTION 350, LUZERNE COUNTY - PROJECT DETAILS

PennDOT leading design and construction for both bridges

- Bundling agreement with Luzerne County for Water St Bridge
- Water St Bridge turned back to County after construction

## Bridges

- Both bridges replaced
- Current design standards, no load restrictions
- Improved river hydraulics
- Improved clearances over the railroad and Kennedy Blvd
- Architectural treatments and lighting

## Traffic

- Dedicated turn lanes on Wyoming Ave, Luzerne Ave, and Main St
- New Signal - Exeter Ave & Wyoming Ave, West Pittston
- Updated Signal - Wyoming Ave & Main St, Pittston
- Updated Signal - Water St & Kennedy Blvd, Pittston
- Limit turning movements at Susquehanna Ave

## Pedestrian/Bicycle Improvements

- Sidewalks both sides of State Route 11 and Water St bridges
- Pedestrian and ADA crossings at intersections
- New walkway ramp from Kennedy Blvd to Pittston Riverfront Park
- Wider shoulders on both bridges for bicycles
- Pittston Riverfront Trail extension

Rebuilding American Infrastructure with Sustainability and Equity (RAISE)
