Comment Form

Subject: SR 462, Section 038, Columbia and Wrightsville Boroughs, West Hempfield Township, Lancaster and York Counties

Scope of Work: To rehabilitate the Columbia-Wrightsville Bridge (SR 462) and make improvements to the roadway network surrounding the bridge approaches.

1. Name
Address
Email
2. How often do you cross the bridge? (Choose one)
Multiple times a day Daily Weekly Less Frequently
3. How do you cross the bridge? (Choose all that apply)
Personal vehicle/Auto Work vehicle Bus/Transit Bicycle Pedestrian
4. What is the primary reason that you use the bridge? (Choose one)
Commute/to or from work Business/for work Personal needs Recreation/leisure
5. Do you use the boat launch parking lots near the bridge?
Wrightsville (Riverfront Park) Columbia (River Park) Both Neither
6. If you park at the boat launches, do you use a trailer?
Yes, I usually park with a trailer No, I usually park without a trailer
I rarely use the boat launch parking lots
7. When do you usually use the boat launches (Choose all that apply)?
Summer Fall Winter Spring Rarely Never

During construction, the bridge will be closed to all traffic, including to bicyclists and pedestrians. Traffic will be detoured to Route 30 for approximately three years. PennDOT will work with local officials and regional planning partners to manage traffic while the bridge is closed.

8. If you regularly bike or walk across the Columbia-Wrightsville Bridge, how will you cross the river during the bridge closure? Use Route 30 detour with:
Personal or work vehicle Rideshare (e.g. Uber, Lyft) Take bus/transit
Would not easily be able to cross river
9. If a shuttle is available to cross the river on the Route 30 bridge, how likely are you to use it during construction?
Very likely Likely Not likely
